

Café Food and Drink

Here at Seed we have a small café selling light bites, snacks, hot and cold drinks and ice creams. Outside there's a peaceful courtyard to enjoy your goodies in the sun and if the weather isn't ideal, we have some seating inside the shop and a cosy summerhouse.

All of our cafe food and drinks are made locally; our award winning scones and cakes are made by a baker in Bury St Edmunds, sausage rolls are from Newmarket. The coffee and tea we serve is from Linton House in Bury, fruit juices are from a village just outside Bury, and fizzy pop is from a village near Cambridge.
